MONDAY'S FEEDER CATTLE

Sale Starts 12:30 PM

RECEIPTS THIS WEEK: 861

Compared to last week, feeder strrs \$10.00-\$15.00 lower, feeder hfrs under 700# steady to \$5.00 higher, over 700# steady to \$3.00 lower. Quality generally not as attractive as last week, & buyers were once again discounting heavily for to much flesh. Lower future prices the past couple of trading sessions & less than ideal weather led buyers to be more cautious with purchases, especially on the lighter weight calves.
