MONDAY'S FEEDER CATTLE

Sale Starts 12:30 PM

RECEIPTS THIS WEEK: 359

Compared to last week, too few feeder steers & heifers for a good market test, although the undertone was lower for most weights. Coldest weather of the season probably helped limit receipts. The sharply higher fed cattle market right after the first of the year has leveled off, & with a lot of winter left, the calf & feeder buyers have turned very cautious looking to make any new purchases cheaper.
