FEEDER CATTLE**
Sale Starts 12:30 PM

RECEIPTS THIS WEEK: 1067

Feeder str & hfrs \$5.00-\$10.00 lower with instances \$15.00 lower on hfrs. The lower trend today compared to 2 wks ago is catching up to the lower prices seen at many auctions around the circuit last week. The calf market continues to struggle as buyers try to buy cattle cheap enough to have some profit on the back end. Prices for the heavy weight yrlds & the slaughter cattle remain far below expectations from only a couple of months ago. Buyers also discounted heavily for excess flesh as these calves will simply not add pounds as quickly or as efficiently as their greener counterparts.
