JOKE OF THE DAY!!!

A senior man was convinced his wife was losing her hearing. She refused to admit it, so he came up with a test.
From about 12 feet behind her, he whispered, "I bet you can't hear me."
She didnt answer.
He moved closer - about 6 feet behind her - and whispered, "I bet you can't hear me."
Still she didnt answer.
So he got right behind her and whispered, "I bet you can't hear me."
His wife turned and yelled, "For the third and last time, of course I can hear you!"
