RECEIPTS THIS WEEK: 511
Compared to the market two weeks ago, steers traded \$6.00-\$12.00 lower & heifers steady to \$5.00 lower. Many small pkgs of calves in the offering although the quality was attractive & buyers were active. Much of the lower trend can be attributed to the local market catching up to the sharply lower prices seen around the circuit last week. Cattle futures trading lower to limit down Monday which gives no encouragement to cattle feeders.
