**Veterinary Feed Directive  
(VFD) Refresher Meeting**

Tuesday, December 6th-7:00 pm  
F & T Livestock Market

Join us for an overview & update of the upcoming changes on January 1, 2017, regarding feed & water antibiotic usage in our livestock species. All area livestock producers are invited to attend. If you have already attended an earlier meeting or have discussed the changes with your local veterinarian, be aware that portions of the new regulations are very ambiguous & seem to be changing minute by minute. These regulations will affect all livestock producers that use antibiotics in feed or water.

**Please RSVP at 573-769-0441**
