Compared to tested market two weeks ago, steer calves under 500# steady, with steers over 500# \$3.00-\$10.00 higher. Feeder heifers steady to \$5.00 higher. Several strings of reputation cattle offered with buyers willing to pay top dollar to fill their pens with the right kind. However buyers were sensitive to flesh with some fleshier calves taking a discount while the greener cattle often landed at the top of the price scale.
