RECEIPTS THIS WEEK: 1141
Feeder steers & heifers under 700# firm to \$5.00 higher, over 700# weak to \$5.00 lower.

The market was really popping for the lighter weight calves, & especially those that will work well on spring grass. Bidding was a little slower on the feedlot bound cattle as lower future prices over the last week & a weaker fed cattle market worked to pressure prices.
