Compared to last tested market two
weeks ago, feeder steers under 750#
steady with a higher undertone on
weights over 800#. Feeder heifers
traded steady to \$5.00 higher. There
was a strong demand for yearling
feeders as long as they were not too
fleshy. With no grass and little hay,
the cow liquidation is ramping up as
slaughter and replacement cow num-
bers are both high for this time of
year.
