FEEDER CATTLE

12:00 PM

Compared to the auction from 2 weeks ago, feeder steers and heifers steady to 10.00 lower. A surprisingly good demand for all weights as many market participants thought prices would be much lower following the lower fat cattle trade last week and the sharp selloff seen in the futures market. More yearling cattle showing up with a load of 865lbs steers selling for 347.27 and still a 400.00 top on 7 weight steers.
