FEEDER CATTLE

12:00 PM

Compared to market 3 weeks ago, steers & heifers traded firm to \$10.00 higher, with instances up to \$20.00 higher on weights under 500#. The feeder market continues its march higher, supported by the record high slaughter prices. It is incredible that the local producers that need to liquidate because of the worsening drought can sell into such a phenomenal market.
Feeder Receipts: 1635
