The credit card on file will be charged at the conclusion of the sale unless you make prior payment arrangements to pay with cash or check by the end of sale day.

Livestock purchased online is sold AS-IS, no warranties and becomes the sole responsibility of the buyer the moment the auctioneer sells the lot. F&T Livestock Market acts as agent between the buyer and seller only, and is not responsible for loss due to accident, illness or death.

It is the responsibility of the bidder to ask any questions regarding quality and condition of the lot being sold prior to the lot being offered in the sale ring.

Submit this form prior to day of sale. We will make every effort on sale day to approve online bidders with complete bidder registration form, however it is not guaranteed on day of sale.

Register bidder must create account on DVAuction.com to bid on sale lots.

I agree to the above terms for buying online lots. I understand providing false information or non sufficient funds accounts is a felony and will be treated as such in this agreement. I give F&T Livestock Market promission to process any online purchased lots with the above stated credit card.
