BRED COW SPECIAL

APRIL 7TH - 12:00pm

This month's premier consignment is a complete herd dispersal for Gary Raney. Gary will be offering 120 fall calving Angus cows bred to start calving around Sept 1st. 40 of these cows will be 5-6 year old cows with the balance of 80 older Angus cows that Gary has raised. These cows represent a lifetime of herd building and will be an unprecedented opportunity to purchase a genetic package nearly impossible to find.

Joey Crigler as previously advertised will be selling 5 young Red Angus 3-1 pairs, with whopping 450 pound yellow calves. Crigler will also be selling 21 very good Angus heifer pairs. Joey has wintered and calved these black heifers specifically to sell for spring turn out.

Joston Comstock- complete herd dispersal of 40 red and black home raised cows will be sold as pairs and bred.

Joston will also be offering one excellent 5 year old red angus bull originating from The Cross Diamond Ranch.

Brian March of Greentop MO will offer 40 head of 3-5 year old black cows bred to angus bulls to calve beginning September 1st.

Eddie McKeown of Moberly will be selling 9 home raised Angus cows and heifers pregged to be 1st periods. These very good young fall calving cows are bred to Angus bulls but have fallen out of sync with the majority of the McKeown herd.

Carl Thompson will be selling:
-15 spring calving 4-6 year old cows.
-8 head 4-6 year old Angus X and Charolais X pairs
