FEEDER CATTLE

12:00 PM

Feeder Receipts: 546

Compared to the auction from two weeks ago, mostly small packages of calves offered with a lower undertone noted. Too few yearling cattle for a good comparison. Several unweaned and or unvaccinated calves starting to show up, and we are entering the season when these cattle will start seeing bigger discounts compared to their counterparts that have had a complete health program. Demand moderate to good, supply light.
