## FEEDER CATTLE

### 12:00 PM

Looking back to three weeks ago, calves sold steady with a lower undertone with not enough yearlings for a comparison. The offering consisted of a lot of smaller packages as producers cleaned out some pens as we head into summer. Most of the crops are in the ground and pastures are in good shape, with cattlemen waiting for a dry stretch of weather to work on hay.

**Feeder Receipts: 989**
