FEEDER CATTLE

12:00 PM

Compared to the auction from two weeks ago, feeder steers and heifers under 700lbs steady with weights over 700lbs steady to 5.00 higher. More fleshy cattle in the mix this week, but that is understandable at these prices where one extra pound of beef is equivalent to one bushel of corn. Plenty of rain around the area has halted planting and started talk about how many acres may need to be replanted because of flooded fields.
