### FEEDER CATTLE

12:00 PM

Compared to the last tested market 2 weeks ago, feeder steers & heifers sold firm to \$10.00 higher. Another extremely good market for producers to sell into. The local area still continues to be in the worst drought in decades. Hay crop was a disaster & now the corn crop is lost. Beef producers can get some salvage value out of silage if they are equipped to harvest & feed.

**Feeder Receipts: 624**
