### FEEDER CATTLE

12:00 PM

Compared to the last feeder auction from two weeks ago, feeder steers under 700 lbs sold steady to 5.00 higher with steers over 700 lbs steady on a light test. Feeder heifers steady. A nice run of cattle for a May sale in the middle of planting season, with several large strings in the offering. Quality was attractive, although plenty of big calves showing up with extra flesh. An active market, especially for steers, and seemed to be unaffected by the lower futures prices the past couple of days.
